Ethics & Code of Conduct

Ensure Your Code of Conduct Protects Your Employees and Your Organization from Ethics & Compliance Risk

NAVEX Global's award-winning approach to learning brings your code of conduct to life. Our new Ethics & Code of Conduct (ECOC) course is designed to be flexible, interactive and modern, with storylines that capture the most pressing compliance concerns in today's organizations.

Engage Your Learners

With engaging storylines brought to life by Hollywood actors and script writers, learners can easily draw parallels between the course and the real-life situations they face every day. Authored by our in-house experts and created in concert with attorneys at law firm Baker McKenzie, this sixth-generation course represents decades of expertise and a commitment to product innovation.

Choose Content That Meets Your Needs

Our course is modular and configurable to allow you to select the training topics most important to you today. Choose from our 16 distinct subject areas to select what topics to cover, how to test learner comprehension and the total length of your course.

Interactive Topic-Specific Scenarios

Placed in the position of assessing the cultural and ethical practices of true-to-life employee interactions, your learners will be actively engaged in learning more about your code and how it impacts your values, your business and the risk areas covered in the modules you choose.

Custom Look & Feel

With a variety of customization options available, each course module can be tailored to look and feel like it was created specifically for your organization. You can brand interfaces and pages with your logo, reference your policies and incorporate introductions by your executives to make the course even more relevant to your learners.

Innovative Learning Options

Our innovative test-out feature allows learners who can prove that they understand your ethics and code of conduct policies to skip your more basic coursework – shortening their in-course experience without compromising the effectiveness of your training program.

Comply with Regulations

Our Ethics & Code of Conduct course is designed to help organizations comply with Sarbanes-Oxley (SOX) directives, the Federal Sentencing Guidelines (FSGs), Federal Acquisition Regulation (FAR) amendments and the Dodd-Frank Act.

Available Topics

Choose from an extensive library of ethics and compliance topics to create a truly custom course that mirrors your code of conduct. Our modular approach allows you to create different course versions for different audiences, and refresh course content over time.
